Auditors' Report to the Board of Directors of LAMERHAV – funded by the Mozes Wolfovich fund (ע"ר).

We have audited the accompanying balance sheet of LAMERHAV – funded by the Mozes Wolfovich fund, a nonprofit organization. (the organization) as of December 31, 2016 and 2015 and the related statements of activities for the year then ended. These financial statements are the responsibility of the organization's Board of Directors and Management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards, including standards prescribed by the Auditors Regulations (Manner of Auditor's Performance) 1973. Such standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Management, as well as evaluating the overall financial statement presentation. We believe that our audit provide a reasonable basis for our opinion.

Case statements as required by the Opinion no. 51 of the Institute of Certified Public Accountants in Israel weren't prepared.

In our opinion, other than that mentioned above, the financial statements referred to above present fairly, in all material respects, the financial position of the organization as at December 31, 2016 and 2015 and the results of its activities, for each year then ended, in conformity with generally accepted accounting principles in Israel (Israeli GAAP).

LAMERHAV

NOTES TO THE FINANCIAL STATEMENTS AS OF DECEMBER 31, 2016

NOTE 1 - GENERAL

- 1.1** LAMERHAV (hereinafter "Lamerhav") was established in March 4, 2000 by Shula and Zeev Moses. The organization is registered under the Israeli law as a non-profit organization no. 580354538.
- 1.2** Lamerhav is recognized under the Israeli Income Tax Ordinance (New Version) as a "public organization" and as a "not-for-profit organization" under the Value Added Tax Law – 1975. Donations to Lamerhav entitle the contributor to tax credits.
- 1.3** Lamerhav's primary goals are to act, initiate, organize and promote activities regarding culture, education and any other area that is a public service.
- 1.4** Use of estimates
The preparation of financial statements, in conformity with generally accepted accounting principles, requires the Lamerhav's Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and to disclose contingent assets and liabilities as of the date of the financial statements and the date of the reported amounts of revenues and expenses during the reporting period. Actual results may differ from such estimates.

NOTE 2 – SIGNIFICANT REPORTING AND ACCOUNTING POLICIES

- 2.1** These financial statements have been prepared in conformity with generally accepted accounting principles for non-profit organizations, on the basis of the historical cost conventions.
- 2.2** The financial statements have been prepared on the accrual basis.
- 2.3** Lamerhav's accounting records are maintained in New Israeli Shekels.
- 2.4** Cash and cash equivalents

Cash equivalents are defined as bank deposits, for which the period to maturity at the date of deposit did not exceed three months.
- 2.5** Property and equipment, net

As of January 1, 2007, Lamerhav applies Accounting Standard No. 27 "Property plant and equipment," and Accounting Standard No. 28 "Amendment of the transitional orders in Accounting Standard No. 27 "Property plant and equipment".

Cost method – an item is presented at net book value, less accumulated impairment losses.

Any property, plant or equipment with a meaningful cost in relation to the item's total cost should be depreciated separately. Moreover, the depreciation method used will be reviewed at least once, at year-end and, if any significant change has taken place in the estimated consumption of future economic benefits inherent in the asset, the method should be

modified to reflect such changes. This change will be treated as a change in an accounting estimate.

Depreciation is calculated using the straight-line method at rates considered adequate to depreciate the assets over their estimated useful lives. Amortization of leasehold improvements is computed over the term of the lease, including any option period, where Lamerhav intends to exercise such an option, or over the useful life of the assets, whichever is the shorter.

<u>Property and equipment, net</u> (Cont.)	<u>%</u>

Computers and related equipment	33
Office furniture and equipment	10-15
Motor vehicles	15

Profit or loss due to the sale or abandonment of an asset is determined by the difference between the proceeds from the sale and the net book value of the asset, and is attributed to the statement of operations.

2.6 Net assets

Net assets are divided into three categories according to the restrictions in the use thereof. The first two categories relate to net assets for which a permanent or temporary restriction in use is imposed by donors, and the third category relates to net assets that are not restricted in use by donors. In the third category, distinction is made between net assets that are not restricted in use, and those that are designated for special purposes by Management (hereinafter – net assets designated by Lamerhav).

2.7 Income from donations

Income from donations are recognized on the basis of actual receipts from donors. Promised donations are recorded on an accrual basis.

2.7 In-Kind Donations

In-Kind Donations are recorded as of 2016 and recognized on the basis of the actual value of the donation.

Assets and the use of them that were donated recorded at their market value.

Volunteers' work was recorded at the minimum wage value.
